

CLOSE QUARTERS TACTICAL

CQB

CLOSE QUARTERS BATTLE

CQB 1 - \$200

Course is 8 hours and requires the student to have already taken Basic Handgun or another Handgun Course. Beginner Handgun does not meet the requirement.

CQB 1 will focus on learning how to fight in close quarters safely and effectively. This course will be a combination of dry fire and simunition on target with a handgun in the shoot house. Students will learn how to safely move with a weapon indoors, positively identify/assess rooms and engage threats efficiently.

- Weapon Ready Positions
- Safety & Trigger Manipulation
- Room Entry, Penetration & Scans
- Field of Fire
- Priority of Threats
- Verbiage
- Positive Identification & Threat Recognition
- Cover, Distance & Angles
- Multi-Room Flow
- High Light and Low Light
- Non-Verbal Communication Through Body Language
- 2-Student & 4 Student House Run Iterations
- Shot Placement
- CQB Holds
- Weapons Malfunctions & Transitions
- Single Room(simunition): 2 - Student Room Entry, Penetration and Scans

Required Gear: Eye & Ear Protection, Handgun, Holster

CQB 2 - \$200

Course is 8 hours and requires the student to have already taken CQB 1 or has participated in one of our CQB Leagues.

CQB 2 will focus further on learning how to fight in close quarters safely and effectively. This course will be a combination of force on force with simunition and live fire with a handgun in the shoot house. Students will learn how to safely move with a weapon indoors, positively identify/assess rooms and engage threats efficiently.

- Weapon Ready Positions
- Safety & Trigger Manipulation
- Room Entry, Penetration & Scans
- Field of Fire
- Priority of Threats
- Verbiage
- Positive Identification & Threat Recognition
- Cover, Distance & Angles
- Multi-Room Flow
- High Light and Low Light
- Non-Verbal Communication Through Body Language
- 2-Student & 4 Student House Run Iterations
- Shot Placement
- CQB Holds
- Weapons Malfunctions & Transitions
- Single Room(simunition): 2 - Student Room Entry, Penetration and Scans

Required Gear: Eye & Ear Protection, Handgun, 50 Rounds of Ammunition, Holster
